OPERATION RISING SPIRIT

RAISE THE SPIRIT OF A VETERAN

We are asking for your help in lifting the spirits of veterans in our homes across the state: Anna, Chicago, LaSalle, Manteno, and Quincy.

The pandemic has been a long road, and a simple note of appreciation will lift a veteran's spirit – make their day. November 11th is Veteran's Day – the perfect time to show a veteran how much we care.

You don't need to know a veteran – simply write the note and we will be sure it is carefully delivered.
